First Time Lay Delegate Orientation

Wednesday, May 24
10:45 am

The position of lay delegate has been one of the most important in the Evangelical Congregational church, and as such, it is not a responsibility to be taken lightly. This short orientation will help you to develop a better knowledge of the history and work of the EC Church. The orientation will be held on Wednesday morning at a site to be determined. Check with the EC Courtesy Desk upon registration to get details.

“Kingdom & Community Experience”

Thursday Afternoon, May 25

On Thursday afternoon we will join in a brand new learning experience as the Executive Director and Associates facilitate a series of missional conversations. We will participate in a group project of discovery as we find out how to help an imaginary EC Church that is struggling to impact its community with the Gospel. Together we will uncover some of the issues that have caused their current situation as well as the resources and strategies available to the local leaders to help the church make a difference in their neighborhood and beyond.
