

CONFERENCE SUPPORT

At the time of the May 2017 National Conference we will be eleven months working in the new denominational structure that created the Conference Support Team (CST). This is the first National Conference report from the Executive Director who is the Chair of the CST. The CST is defined in Rule of Conference 504.1, "*The Conference Support Team will support the mission and serve the church by supervising our operations – stewarding assets and providing the necessary services to accomplish the mission across the network*". Operating within the CST are five groups; Audit Committee, Church Center Operations Team, Conference Services Committee, Property Committee and Publishing Committee. Each of these groups has defined duties that are in section 504 of the Rules of Conference. I am very thankful for each of the National Conference staff members and volunteers on each of these committees and the work they accomplish.

The National Conference Finance Committee also has a large and a very important role in stewarding the assets of the National Conference. The Finance Committee is not a member of the CST and for accountability and oversight it should not be a member of the CST, as it is the Finance Committee that "looks over my shoulder" and holds me accountable on my financial duties. The finance committee is led by our Conference Treasurer Debra Patterson and I serve as an advisory member on the Finance Committee. With the new denominational structure the Pastoral Compensation Committee duties have been absorbed by the Finance Committee. The members of the Finance Committee are dutiful servants led by the unflappable Debra Patterson. Please thank them for their excellent service to the EC Church.

The second part of the charge to the CST is "*providing the necessary services to accomplish the mission across the network*". This statement clearly defines a support role for the CST. Please be forthcoming for what services are needed to accomplish the mission of the local EC Church. We will not promise that the CST will be all things to all people. That is not practical or a wise use of resources. We will listen, evaluate the need and respond. The leadership of the CST is also willing to attend local church meetings or district meetings.

Having the CST in a supporting role does not inhibit enhancements of CST provided services. I foresee the CST making incremental changes or improvements to current denominational activities not a complete overhaul or redesign of an activity, unless required to satisfy a broader denominational objective. I admit that an incremental change to me may seem like a massive overhaul to others. I like change and I encourage the members of the National Conference to ask questions about the work of the CST and suggest areas of improvement.

Church Center Operations Team

After forty-three (43) years of dedicated and humble service to the EC Church Brenda Long will be retiring from full-time employment on September 30, 2017. She will stay on in a part-time role after September 30. We cannot thank

Brenda enough for all that she has done. Some of the workplace changes she experienced: typewriters to personal computers and multi-function photocopier, sending letters to sending faxes to sending emails to instant messaging, renovations at the EC Church Center, multiple office moves, seven (7) Bishops, one (1) National Conference Chair, seven (7) GMC Directors, website development, Eastern and Western Conference merger and the implementation of Shelby Church Management Software. These were all monumental changes that she handled with style and grace. We pray a blessing on Brenda, Donald and their family. The staff at the Church Center will miss Brenda.

Plans are being developed on how to best complete the duties to be vacated by Brenda. No decisions have been made if a new hire is necessary or if the remaining staff can assume those duties.

Conference Services Committee

Thanks to Keith Miller, Brenda Long, Pat Wolfe, Jodi Earhart, Shirley Long, Abigail Bomgardner and the other members of the Red Shirt Team for all their hard work planning and assisting with National Conference 2017. Also thanks to the recording secretaries and tellers for their work keeping the business sessions orderly and productive. Praise the LORD for the praise team and pastors that are bookending the sessions of National Conference this year. It feels right to begin and end the day in worship.

Property Committee

The former Grace EC in Millersville, PA was transferred to Grace Community EC in Willow Street, PA during 2016. No new properties were added to the responsibilities of the Property Committee.

A small independent congregation began renting the former Grace EC in Muir, PA in the fall of 2016. This church is covering all of the costs of the building either through direct payment of utilities or rental income. Negotiations are ongoing with the congregation to purchase the building.

Jonathan Brown, Heritage Committee Chair, and I are planning a move of the EC archives from the third floor of the Church Center to a space in the ground floor vacated by Religious and Theological Abstracts (RTA). RTA had rented this space until their move to Evangelical Seminary late 2016. The third floor location for the EC archives was temporary required by the creation of the David A Dorsey Museum of Biblical Archeology in the lower level of the Pense Learning Center. The vacated space will be renovated allowing the EC archives to be better organized, more accessible and have space available for research and growth.

Two major repairs are needed at the Church Center. The lower half of the parking lot is deteriorating significantly and quickly. Also the railing on the outside of the front stairs is causing the stair tread to crack and separate. The parking lot is scheduled to be fixed during 2017. The railing on the front stairs is currently securely fastened and its condition is being monitored. However, if the railing becomes a safety hazard a repair or replacement timetable will be accelerated.

Publishing Committee

The 2016 edition of the Discipline of the Evangelical Congregational Church is available for purchase. Contact Pat Wolfe at the EC Church Center to order a hard copy. The Discipline is available in three formats; red hard cover ring binder (7x9) - \$23.00, loose pages or inserts only to fit the 7x9 ring binder - \$13.00, 8 ½x11 red spiral binder notebook - \$10.00 and 4x7 abridged version - \$3.25 ea. Disciplines may be picked up at the EC Church Center or mailed for an additional shipping charge. Copies will be available to purchase at the May 2017 National Conference

or pre-order and pick up at National Conference. The Discipline is also available to download from <http://www.eccenter.com/Left/Resources/Publications/2016-Discipline.aspx>

The work of the CST relies heavily on volunteers, lay and pastor. There remain multiple lay volunteer positions available on the Finance Committee, Loan & Investment Committee, EC Benefits Corporation and Property Committee. Members from a variety of occupations, educational levels, ages, genders and churches form a better balanced committee. Please search your local congregations for possible members. Some key traits that every volunteer should have is a willingness to work, a team player, teachability, the capacity to listen and the right temperament. A strong plea is being made toward the Great Lakes Region churches to participate in finding volunteers. Committee members may attend meetings electronically (telephone or web) and committees are flexible with evening or weekend meeting dates. If you know of individuals that might volunteer please inquire of their willingness and forward to me their contact information at khenry@eccenter.com or 717-628-2171. I will follow up with a short interview/discussion before inviting them to join a committee.

Thank-you for allowing me to serve the EC Church as the Executive Director and Chair of the Conference Support Team and please contact me with any questions, khenry@eccenter.com or 717-628-2171.

Serving Faithfully

Kevin Henry
