

OUR MISSIONARY FAMILY

Global Ministries will once again be sponsoring a **work team** to Camp LiWa near Fairbanks, AK. **The dates are August 5-19, 2017.** You can download applications from the EC website. Go to the Structures tab, click on Communities, then Global Ministries, then Short Term Mission Opportunities. Remember that a \$200 deposit is required when you send in your application. If you have any questions, contact the GMC office (1-800-866-7584) or email ecglobal@eccenter.com.

We wish to extend our sympathies to **David and Conce Roof** on the unexpected passing of David's father, Rev. David G. Roof. Rev. Roof sustained a fall in late October which resulted in serious injuries, but seemed to be on the mend. He unexpectedly passed away on November 18th. Rev. Roof and his wife Shirley were living with their youngest daughter Debbie, and near their other daughter Dr. Kim Yunez and her family. Rev. Roof pastored a number of EC churches and also served as District Superintendent of the western District of the Eastern Conference. God in his mercy arranged for David and Conce to be home so they could spend time with his dad before he was called to his eternal home. David and Conce will remain in the USA until the end of this month.

Beth Grimm will be spending the 13th-23rd of this month in Guatemala working with missionary children. Beth is an education specialist who tests, diagnoses and helps parents and teachers with an educational plan for those students who have learning needs. She is planning another trip to Mexico in March for the same purpose.

We give praise that the Lord protected **Ron Anderson** during a recent scary episode. Ron had taken a medication which he has used in the past for a sore back, but evidently had unknowingly developed a severe allergy to it. He went into anaphylactic shock, and Brenda called emergency services. They were able to bring him back, but there were some lingering effects from the medication they used. Ron reports that he is feeling much better now.

Our **VBS Project for 2017** will be to help Bishop G. Abraham Powell with his planned literacy project in Liberia. Most of our EC church people in Liberia are members of the Bassa tribe. The scriptures have been translated into Bassa, but due to the decade long civil war and then the Ebola epidemic, schools have been closed for a long time. Many of the younger people are functionally illiterate. Rev. Powell wants to train teachers to help the people learn to read, using the Bassa Scriptures. Watch for more information on our website.

Ed & Val Schubert give praise that funds were provided to purchase Children's Devotional Books to use with a small group of community women that the Casa de Luz psychologist and Val are mentoring and coaching in mothering skills. In fact, the response was so overwhelmingly wonderful that they were able to purchase Children's Devotional books for SEVERAL small mentoring groups, and were able to purchase an adult Bible for each mom participating. PTL!

EC GLOBAL PRAYER GUIDE

JANUARY 2017

NEPAL

The kingdom of Nepal is the world's only Hindu kingdom; however, the constitution guarantees some religious freedom. People can choose their faith, but it is illegal to convert others. An isolated mountainous land, Nepal is just slightly larger than Pennsylvania and New Jersey combined. The 27,000,000 people represent approximately 95 people groups; however, caste is more crucial socially than ethnicity. The capital city, Katmandu has 1,500,000 people.

The main livelihood of the people is from subsistence agriculture, but the chief foreign exchange is earned through tourism. While 75% of the population is Hindu, Buddhists are also well represented at 16%. An estimated 450,000 people are Christians (about 2%). The first group of Christians was formed in 1959. At the climax of persecution in 1990, Christians numbered about 200,000.

THE EVANGELICAL CONGREGATIONAL CHURCH OF NEPAL:

The Evangelical Congregational Church of India began the EC mission outreach to eastern Nepal resulting in the planting of ten churches. We officially inaugurated the EC Church of Nepal in June, 2003. At that time the churches elected a leadership team of five people, and a church center was established at Dharan, in eastern Nepal. In January 2009 the EC church of Nepal became its own international conference.

We now have at least 14 churches (2,500-3,000 members), with 165 new converts so far this year (November 2016), 111 baptisms, and about 6 new fellowships which will grow into church plants and then chartered churches. The house/orphanage is almost complete, with the director, his wife and the orphans living there now.

The leadership is engaged in training seminars for pastors, deacons and elders on pastoral duties, ceremonies and sacraments. They conducted a youth seminar with about 200 youth, and four congregations went together and conducted a VBS program with 75 children. God is on the move in Nepal! But in the midst of this growth is much persecution. Please keep our EC pastors, their families, and their churches in prayer for safety from the very real threats from militant Hindu forces and government agencies.
