

IVY LIMBERT

Ivy is one of our newer missionaries. She grew up in Lititz, PA and is a member of our Trinity E.C. Church there. Ivy was homeschooled and later graduated from Lancaster Bible College with degrees in Communications, TESOL (Teaching English to Speakers of Other Languages) and Biblical Studies. Throughout high school and college, she worked at the Julius Sturgis Pretzel Bakery in Lititz. Much of Ivy's passion for working with internationals and teaching came from her experiences there and it fueled her desire to serve the Lord by teaching English overseas in a mission setting.

Ivy teaches at Black Forest Academy, a boarding school for missionary children and international students, located in Germany. While her primary role within the Academic Support Department is teaching English Language Learners (ELLs), she works in other areas of academic support when needed. Music is an important part of Ivy's life so she participates in school ensembles and assists in the music department as well. This past year Ivy co-sponsored the Model United

Nations club. This outlet provides Ivy the opportunity to interact with more students and encourage them in carrying Christ into the political arena. Ivy is currently working on her MS in Education and is set to graduate in December of 2019. She has been teaching at BFA since the fall of 2017 and is excited to see how God will continue to use her there.
