**Brian and Missy Wagner** - After teaching in PA for seven years and completing the requirements for earning Masters' Degrees, Brian and Missy arrived at **Rift Valley Academy**, in Kijabe, Kenya, in July of 1997 as a family of three for a three-year assignment. Those three years quickly stretched to four; and as a family of five, they returned to the US in 2001 for a year of home assignment. Recognizing their love for teaching and mentoring MKs, they

returned home to Kenya. They have served in a variety of roles including teachers, dorm parents, and class sponsors. Most recently, Brian has taught two classes of AP Calculus and served as the math department chair. He has also been the coordinator for curriculum development, school accreditation, and RVA's interim program. Missy has served in the role of Admissions Director guiding families through the application process and helping them prepare for their child's transition to RVA.

**Lamar & Janice Stoltzfus** - Lamar and Janice also serve at **Rift Valley Academy**, in Kijabe, Kenya. They have been involved in full time service with *Africa Inland Mission* since 2009. During their time at Rift Valley Academy they have served in several capacities ranging from dorm parenting, teaching, leading departments, and mentoring students.

Currently, Janice serves as the Women's Staff Chaplain at the school. Lamar serves as the Director of Services for the school. His position deals with the day- to-day operation of the school and its various departments. When they are not living in Kenya, they call Lancaster County, Pennsylvania their other home.

*Thank you to these missionaries for serving the Lord and His people.*

# *The Lord's Purpose*

*"Many are the plans in a man's heart, but it is the Lord's purpose that prevails."  
Proverbs 19:21*

This month we celebrate the work and ministries of these missionaries who obediently answered the call of the Lord to fulfill His purposes in sharing the love of Jesus with people from all over the world. Through their obedience to follow the Lord many have heard the life-giving message of salvation through faith in Christ!

**Jim and Janet Stahl** - In 2007 Jim and Janet started working with **The Seed Company**, a part of *Wycliffe Bible Translators* helping language communities without a written Bible translation to tell Bible stories in their languages, hoping that this effort would promote interest in starting written Bible translation programs. In this time, they've developed a method simply called Oral Bible Storytelling and have carried out successful training events in the South Pacific and parts of Asia. Their method is used by TSC and several other partner organizations.

**Ken Sears** - Ken teaches at **Zaporizhzhya Bible Seminary**, which was being launched by missionaries from Greater Europe Mission at just around the time Ken was gearing up to go to Ukraine. He teaches a range of courses on theology, principles of Bible interpretation, specific biblical books, OT Hebrew, and English. The other main area of Ken's Ukrainian ministry is the church where he serves as one of the preacher-elders. Ken is very involved in the many ministries and overall leadership of the church.
