DIMINISHING RETURNS

You would have to be stranded on a desert island to not know that most of the world is suffering from a recession. The stock market fiasco in the USA has had a domino effect in many other nations. Many folks saw their stock portfolios and retirement funds all but disappear. The default rate on mortgages and loans has skyrocketed.

It appears that diminishing returns are a spiritual problem as well. People are only 'faithful' as long as the Lord is blessing them – they subscribe to a "health and wealth" gospel. When things get tough, they feel God has let them down and look elsewhere for answers.

We need to be investing continually in our spiritual life. Time spent in devotions and prayer; developing a strong, close, personal walk with our Savior; and listening to the Holy Spirit will provide a spiritual wealth that can never be affected by any earthly disasters. It's the greatest investment program around and has guaranteed returns!

"Don't store up for yourselves treasure on earth, where moth and rust destroy, and where thieves break in and steal. But store up for yourselves treasure in heaven... MATTHEW 6:19-20a

–Pat Strain.

OUR MISSIONARY FAMILY

▶ **Ed and Val Schubert** and their family continue to feel the effects of the political situation in Honduras. Val's parents, Keith and Cheryl Mong who pastor at Martindale, were visiting in late September when martial law was invoked. Fortunately the Mongos were able to leave the country and return safely. The situation has also halted all of the legal work on adoption proceedings for Ed and Val's Honduran daughter, Cheynece Pati. Elections will be held on the last Sunday of November for a new president. Please keep Honduras in prayer that the transition in power can be accomplished peacefully.

▶ **Ann Pauloski Brown** has a new address. Please use the following address until next spring: 4568 Kensington Dr, San Diego, CA 92116.

▶ **REMINDER – Joe Toy** needs red and green Christmas stockings stuffed with goodies to hand out in inner city neighborhoods (info on our website, www.ecglobal.org under Resources-Project Booklet.) Joe would like to have the stockings by Thanksgiving. You can also email Joe for more details at oamphilly@aol.com.

▶ **Kurt and Nancy Graff** are support raising so that they can serve with a new mission agency, Café 1040. The Graffs will be US based, probably in Michigan, and will work with college students who will be doing short term missions in closed access countries, the "10/40 window" on the map. Kurt and Nancy expect to live in Lititz PA through the end of this year. Support can be sent through the Global Ministries office.
