

► **SAVE THE DATE!** – **The Delaware Region Mission Brunch** will be held Friday, March 11th at the Perkins Restaurant located at 3400 Lehigh Street in Allentown, PA. The brunch is Dutch treat and begins at 10 a.m. Rev. Randy Sizemore will be bringing updates on our fields and missionaries, including his recent trip to Liberia. Reservations are requested. Please contact Pat at the GMC office (1-800-866-7584 or email to ecglobal@eccenter.com) by March 3rd.

► Praise! **Dan Dixon** received the biopsy report on the cyst he had removed from his ankle, and it was not cancerous. The doctor is going to review the MRI to see if they can find a cause, but it may have been just a post injury reaction. Dan is healing well and walking well.

► **Roy and Sue Haglund** are coming to PA for a deputation swing next month (April 3-17). Their Sunday mornings are booked, but they still have Sunday evenings and some weekdays/nights available. If you would like to have them speak at your small group or bible study, contact Pat at the GMC office (1-800-866-7584 or email to ecglobal@eccenter.com.)

► Congratulations to **Rev. G. Abraham Powell**, who was elected the new leader of the EC Church of Liberia. The election was held at the end of January at the national conference for our EC churches of Liberia. Global Ministries Director Rev. Randy Sizemore, his wife Carla, Rev. Ralph Owens of Royersford and Rev. Rick Sergi from Bethlehem were along to witness this historic moment.

► Pray for **Yoriyoshi and Emiko Abe** as they prepare to open their church plant in the town of Ebina, Japan where they live. Their goal is to begin services on Easter Sunday. Pray also that they can find a way to impact their community in a manner that will show people the love of Christ.

► The **EC Church of Mexico** will hold their annual conference the last week of March and the first weekend of April. Pray for GMC Director Rev. Randy Sizemore and Rev. Carlos Kelly as they are part of that conference. The EC Church of Mexico is on track to apply to become a National Conference in 2017. So far the EC Church of India and the EC Church-Japan have already achieved that status.

► Just a reminder that **there will not be a Mission Minded Kids Rally this spring**. The MMK Committee is taking a year off to regroup and evaluate whether this has been an effective method of reaching our children with information about missions, or if we should consider alternative methods. If your church has participated in the past and has any ideas or input, please email to the GMC office at ecglobal@eccenter.com. We will forward your comments to the MMK Committee. Thanks!

Restoration Business

There are probably a half dozen or more TV shows that demonstrate ways to take old furniture, garden tools, miscellaneous objects, and recycle them into new items. Old windows are painted and used for chalkboards, broken dressers are made over into bathroom sink cabinets, drawers are turned into shelves, etc. If an item can't be fixed so it can be used for its original function, it is 'repurposed' into something new and usable.

But the concept of not throwing something away when it was worn or dirty or not able to function as it should started long ago. It started with the Garden of Eden. When God created Adam and Eve, they (and by extension, we) were made to be in fellowship with our Creator for eternity. When sin entered the picture, that connection was broken.

Yet God did not give up on his creation. He didn't toss us aside, saying "Back to the drawing board for a newer, better model." He lovingly crafted a plan to bring us back to Him, one that involved a huge personal sacrifice, the life of the one and only begotten Son. In doing so, He provided a way for the hearts, souls and minds of all who have given in to their sin nature to be fully restored, both to fellowship and status as sons and daughters of the Most High God.

Those who have accepted Jesus Christ as their Lord and Savior can claim 'new and improved' status. We not only have been restored to full fellowship with our Creator Father, we have been repurposed to share the Good News with the world. All around us are people who have been broken by circumstances and bad choices; many thrown away by the world as human litter with little or no value. But Christ sees these through different eyes; he sees their potential to be restored to the family.

This month we will again celebrate the death and resurrection of the One who loved us enough to die for us. Let us share that love with a world that so desperately needs to know there is a loving God who sees their true worth, and has a purpose for them.

"Therefore, if anyone is in Christ, he is a new creation; the old has gone, the new has come! All this is from God, who reconciled us to himself through Christ and gave us the ministry of reconciliation: that God was reconciling the world to himself in Christ, not counting men's sins against them. And he has committed to us the message of reconciliation. We are therefore Christ's ambassadors, as though God were making his appeal through us." (II CORINTHIAN 5:17-20a, NIV)
