I must admit there are months I sit in front of my computer and it takes some time to come up with what I want to write about. This is not one of those months. There are two things on my heart and mind and I can't decide which one to write about and which one to skip, so I'll write two short pieces this month.

**#1**—I am grateful our Leadership Commission and our Pastoral Assessment Center in affirming that as pastors and church leaders we must continually be learning; life-long learners. I graduated from a Bible college and seminary, but my real education started when I was assigned to pastor a local congregation. Over the years I have attended many continuing education events. While I learned more in some than others, each one has impacted my ministry in some way. Our denomination is partnering with Evangelical Seminary in bringing Dr. Reggie McNeal for a very special Leadership Forum on October 13. Reggie is a nationally known author and speaker. Reggie has said,

Learn  
&  
Grow

“The next frontier for the North American church involves changing our narrative from a church story to a Kingdom story. This leadership forum explores the Kingdom/Church relationship, the implications for moving to a Kingdom-centric ministry approach, and the strategies needed to make the necessary cultural transition in the church.”

I trust you will make every effort to join me at Evangelical Seminary on October 13 for a day that promises to be one that will challenge our thinking and give us new ways to view the relationship between the Kingdom, the Church, and our culture.

**#2**—October is Pastor Appreciation Month. If you're a lay leader and you're reading this I hope you are planning a

time for your church to show your appreciation to your pastor. I'd also like to join with you and express my appreciation for our E.C. pastors. This is not an easy time in history to be a pastor. This is not a culture that appreciates Christians, let alone pastors. The book *For Ministers About to Start...or About to Give Up* by Travis Collins provides statistics which are consistent with previous studies and scary: 33% say being in ministry is “an outright

hazard” to their families; 75% of ministers experience “severe stress causing anguish, worry, bewilderment, anger, depression, fear and alienation” during their careers.

Being a pastor has always been a challenging vocation. But the changing face of our culture, congregational finances, growing government and media oversight, and the

# Bishop's Top Ten Prayer & Praise

1. Join me in asking for the Lord's leading as I present nominees to the National Ministry Team for new leadership positions: Executive Director, Church Health Associate, Kingdom Extension Associate, and Ministerial Development Associate.
2. Pray for the members of the National Ministry Team as they meet on October 22 to adopt the National Conference budget for 2016 and discuss other aspects of the work of the Evangelical Congregational Church.
3. Thank the Lord for the generous stewardship that enables our denomination to join with Evangelical Seminary in hosting Dr. Reggie McNeal, a nationally known speaker and author, for a Leadership Forum on October 13.
4. Pray for safety as I travel to the National Association of Evangelicals Board meeting in Minneapolis, MN in mid-October.
5. As the final ordinations take place this month, ask the Lord to bless the ministries of each of the pastors who have been ordained this year: Keith Blank, Mike Campbell, Brad Hatter, Ken Kalisz, and Kyle Roth.
6. Praise the Lord for the men who are responding to God's call in their life and are now registering to participate in the Pastor's Assessment Center which will be held in January.
7. Praise God for the individuals who give so much time to volunteer on the boards of our affiliated ministries: Camp ECCO (OH), Evangelical Theological Seminar (PA), Rock River Bible Camp (IL), StoneRidge Retirement Living (PA), and Twin Pines Camp (PA).
8. Be sure to praise the Lord for the ministry of your pastor; and, since October is Pastor Appreciation month, it's okay to tell him that you are thankful for his ministry.
9. Praise the Lord for his wonderful creation during this beautiful time of the year and pray for times of refreshment as well as safety for me and many others who will take to the woods to enjoy God's creation (and maybe bring home some meat for the freezer).
10. Thank the Lord for the growth and discipleship taking place in many of our Evangelical Congregational congregations both here in the U.S. and around the world.

increasing expectations and demands placed on pastors by others and themselves makes being a pastor at this time in history even more challenging. As Bishop of the Evangelical Congregational Church I thank you for your faithful service!

## News from Benefits Corporation

### Active Pastors Health Insurance

The EC Benefits Trustees have approved a switch in the active pastors' health insurance plan to Capital Blue Cross (CBC) from Highmark effective October 1, 2015. The decision was mainly driven by cost. Capital Blue Cross offered a plan with a sub 3% rate increase and Highmark offered a 16% increase over the prior year's rates. The CBC plan is almost identical to the Highmark plan. Office visit co-pays are a little higher but prescription co-pays are a little lower with the CBC plan. The CBC plan does have higher deductibles however the annual maximum out of pocket for covered medical expenses, excluding co-pays, remains at \$500 with the HRA paying costs above \$500. The maximum out of pocket for prescriptions also remains at \$1,800 annually.

### Two New Benefits on October 1.

- 1) A \$1,800 cap on out of pocket costs for outpatient therapy services, physical therapy, occupational therapy, speech therapy, respiratory therapy and manipulative therapy. The covered pastor will only incur a maximum in \$1,800 for covered outpatient therapy in either therapy visit co-pays or therapy visit costs. The HRA will reimburse the pastor for any out of pocket costs above \$1,800.
- 2) A limited dental plan has been added at no additional cost for health plan participants. The plan is the Value Plan 75. The plan will pay 75% of the cost of most dental services. The limitation of the plan is the number of participating providers. Please see <https://www.capbluecross.com> to confirm your dentist's participation.

An electronic participant file transfer is being utilized to facilitate enrollment in CBC. It is hoped that there will be minimal enrollment problems. Having everyone enrolled in CBC by October 1 will happen. Everyone receiving their new CBC cards by October 1 is possible but expect some delays. Once the contract with CBC is processed we will release the plan ID numbers to enable the processing of medical services until the new ID cards are received by the participants. Please plan appropriately if any of your prescriptions will need to be refilled around October 1.

The cost to the church is not increasing. The HRA cushion

is high enough to absorb the premium cost increase and the new benefits. It is unlikely that the rates will remain unchanged in future years. The EC Benefits Trustees are very aware of the tension caused by the cost of health insurance and they are committed to serving the pastors and the local EC churches. The US health insurance market is constantly in flux. The circumstances surrounding the annual plan renewal are different every year. However, the trend to push responsibility for healthcare and lifestyle decision onto the individual is continuing with your pocketbook feeling the most pain. Planning for your long term health is just as important as planning for your retirement. Accidents and illnesses are going to happen but many healthcare conditions are preventable and manageable with healthy lifestyle choices.

### Highmark Senior Blue Renewal

The rates for the Highmark Freedom Blue plan are decreasing by \$14/month to \$197/month per person with no change in benefits. The change will be effective on January 1, 2016 to be paid by December 15, 2015.

### Highmark Senior Blue Billing

Beginning in December 2015 for the January 2016 premium, Highmark Senior Blue is going to direct bill the retirees of the EC Church enrolled in the Highmark Freedom Blue plan for the full premium or the partial premium based on the Retiree Health Insurance phase out plan approved at the EC Benefits annual Corporation meeting in May 2015. For example, if the retiree is responsible for 10% of the premium cost then Highmark will send a bill to the retiree for \$19.70 for single coverage or \$39.40 for couple coverage. Highmark will bill the National Conference for the balance of the monthly amount. Each year the amount due from the retiree will increase and the portion billed to the National Conference will decrease.

It is very important that the retiree does not fall behind on payments to Highmark Freedom Blue. If a retiree is having difficulty paying the monthly premium the Manna Fund is available for financial assistance. Please contact David King in the EC Benefits office for a Manna Fund application.

Any amounts due from a retiree for health insurance prior to the January 2016 invoice will remain payable to the EC Benefits Corporation.

The 2016 Pastoral Compensation Forms will be available on the EC Church website no later than October 1, 2015. Expect the Social Security Administration to release the 2016 COLA in late October 2015. Early estimates from various internet bloggers is for a 0% COLA for 2016. However we have all felt the price increases at the grocery store and in energy prices. Please be respectful and honoring of the job your pastor is doing and do what is possible to increase his salary.

Please contact Dave King, [dking@eccenter.com](mailto:dking@eccenter.com) or Kevin Henry, [khenry@eccenter.com](mailto:khenry@eccenter.com) or 1-800-866-7581 with any questions or problems.

# C.E. WORKS!!!

By Dr. Dave Coryell, Executive Director, Christian Endeavor

We all know when something works. What is frustrating is when things don't work! I hit the wrong button on our TV's remote control and thought I would never get it working again! Some times life looks like this. Eight years ago I began serving with Christian Endeavor. Five years later C.E.'s mission and vision were clarified but it seemed like it would never work! Many people said, "You started too late" or "Shame, Christian Endeavor used to be such a great ministry."

Then the break through began to occur. C.E.'s first church of the new era, Trinity E.C. in Terre Hill, boldly launched C.E. in their setting. Fast-forward to today and roughly twenty churches are using the Simple, Biblical, Relevant C.E. process to grow youth as Christ's disciples. C.E can work in your setting. I'm bold enough to say that if applied correctly it can improve even the most effective youth ministry because it harnesses the Biblical components our culture causes us to ignore.

C.E. is both intentional and sustainable. It does not involve adding additional meetings to the calendar. Instead it requires adapting what is already on the calendar so the ministry is run with purpose.

C.E. even works in settings where there are only two committed youth. If you have two committed youth, C.E. can be started and run effectively.

Maybe you are leading a church with only retired people. Even your church can connect with C.E. We have a booklet highlighting all the volunteer needs of the ministry and the ways servants from your church can be involved in C.E.'s Kingdom work. Churches also can consider C.E. as one of their mission projects that serves local churches while meeting needs domestically and internationally.

I'm convinced that C.E. works for two reasons. First, I've seen the fruit that has grown in churches here in our area. I was just talking to a pastor who told me how the change in youth who have committed to the C.E. pledge is transforming his church. An E.C. youth pastor told me about the incredible change he has seen in his students. A parent even approached me, made a \$2000 donation to the ministry and said, C.E. has changed the lives of my kids! God is at work!! Second, ten churches recently took the process we use and started C.E. when an intern with us from Lancaster Bible College traveled to his homeland in Ghana. The Ghanaians heard about the C.E. approach and the Holy Spirit moved! A similar event happened when I taught for a week at a Korean seminary in Moscow. I taught on leadership but shared about C.E. on the last day. C.E. is now embraced in several churches and C.E. Russia was officially launched. Praise the Lord!

I encourage you to check out our website at [www.CEworks.faith](http://www.CEworks.faith). You can find information about how to get started with C.E. or how to get youth involved doing ministry through attending our work camp summer ministry. C.E. WORKS!!
