Randy & Chrisanne Amberman, New Mexico; World Gospel Mission

Randy and Chrisanne serve under World Gospel Mission on the American Indian field. They live in Kirtland, NM, just a mile off the Navajo reservation. Chris directs a Christian afterschool program that serves all the schools in Kirtland, having kids from kindergarten all the way through high school. Many of the children who come (mostly Navajo) do not have any church background. They host several family events throughout the year to give them a chance to get acquainted with the

whole family. They are also very active in the community of Kirtland, having started a women's group, a pastors' group, and most recently being involved in the creation of a Community Resource Center. They are part of a house church called Freedom of Nations. The Navajo Nation is ripe unto harvest, and they pray for more workers to enter the field.

EC Church of Nepal (ECCN)

Rev. Th. & Mercy Janga

The Evangelical Congregational Church of India began the EC mission outreach to eastern Nepal resulting in the planting of ten churches.

In June, 2003 the churches elected a leadership team of five people to lead the new conference of the EC Church, and a church center was established at Dharan, in eastern Nepal. In January 2009 the ECCN became its own international conference with Rev. Th. Janga leading them.

ECCN is meeting the spiritual and physical needs of this nation through the planting of local churches, intentional discipleship, leadership training, and a variety of hands-on ministries that meet the physical needs of orphans, widows and families.

Tomoyuki & Jessica Abe - France; Overseas Missionary Fellowship (OMF)

Tomo is from Japan and Jessica is from France. They both graduated from Evangelical Seminary in Myerstown, PA in 2009, and have two daughters, Alyssa and Talia.

They moved to Orléans (France) in 2019, after doing church planting work in the suburbs of Tokyo for 10 years. Tomo has been involved in **Japanese Diaspora Returnee Ministries** with OMF. The goal is evangelizing and discipling Japanese in

Europe so that they can serve strong in the Japanese church when they return to Japan. These first two years Tomo has been taking French language courses, networking with Japanese people in France, getting in touch with the leaders of French Christian organizations, helping out a Japanese Bible study group, and preaching at Japanese churches in Europe. Jessica has been working as a pastor of the Evangelical Free Church in Orléans, and is pursuing a Master's degree.

Gene & Bethanie Stevenson; Arizona

Gene most recently completed service as the Academic Dean and instructor at Indian Bible College in Flagstaff, discipling and educating indigenous, native Christians for lifetimes of Biblical ministry and spiritual leadership to their people and the world. Gene is an Ordained Itinerant Elder in the EC Church with an MDiv from Evangelical Seminary (ETS). Beth received a Master's in Marriage & Family Therapy degree from ETS and currently serves on staff at a therapy center in AZ. Gene and Bethanie are the parents of three children - Aria, Noah, and Lily. They will soon transition to serve in a new ministry capacity and organization and look forward to sharing with the GMC community all the Lord is doing!
