

PRAYER GUIDE

FEBRUARY 2022

FROM THE DESK...

Greetings in Jesus' name!

It's hard to believe I've been with the GMC for over a year already! I'm excited as we look forward to what 2022 holds for our EC missionaries, our international EC churches, and the Global Ministries Community!

Rev. G. Abraham Powell, Bishop, ECC Liberia, in the much needed, new ministry vehicle purchased with help from the generosity of supporters in the ECC USA.

He's SO HAPPY! ...he said, "I can't believe my eyes!"

Plagued by 14 years of civil war, the Republic of Liberia, regarded by the original settlers as the "promised land," currently stands as one of the world's most impoverished nations. Located on the western coast of Africa, the country, whose name literally means, "Land of the Free," was established in 1822 (with the support of the American government) as a colony for free-born and formerly enslaved African Americans. From its inception, though, ethnic issues divided the population of Liberia and fueled hostility between people groups.

This picture of tragedy need not be, however, a perpetual state for Liberia. A new governmental leadership team was elected in 2005, and the awareness, efforts, and prayers of people around the world have brought hope for recovery in Liberia.

The EC Church is directly involved with such restoration efforts. In fact, the Global Ministries Community has had works in Liberia since the 1950's. Thirty-six EC churches have remained resolute, despite the destruction of the war-torn years. There are currently more than 9,000 members in the EC Church of Liberia, and the numbers are growing every day. Thank you for continuing to pray for Bishop Powell, and our ECCL brothers and sisters.
