

## OUR MISSIONARY FAMILY

- **NOTE: Church Center** will be closed Fridays during the months of July and August.
- **Val Schubert** had to have emergency surgery in early May due to a ruptured appendix and the peritonitis that followed. There were other medical complications as well, but God's hand was on her and Val came through the surgery and infections that followed. She has a long road to full recovery and would appreciate continued prayers, but Val and her family give praise that she is doing as well as she is right now.
- **David & Conce Roof** give praise that they were able to get back to Brazil at the end of May as scheduled. A truckers' strike had paralyzed much of the country, so there were gas and food shortages. They were able to fly directly from FL to their town of Belem; unfortunately, their luggage didn't make it until a few days later.
- **Jamie & Anita Farr** and their four children return at the end of July, having spent two months traveling to Papua New Guinea to be part of the Baruga Scripture Celebration, which Jamie's parents, Jim and the late Cindi Farr, translated. The Fars remained in PNG to visit areas and friends where Jamie spent most of his growing up years. Quite an adventure for his children to see where and how their dad grew up!
- **Ron & Brenda Anderson** flew to the USA in late May to be part of the memorial service for the late Rev. Jack Murray in CA, then flew east and attended the EC National Conference, where Ron represented EC missionaries serving overseas in the service honoring GMA Randy Sizemore for his 10 years at the helm of Global Ministries. The Andersons will remain in the USA through most of August. While Ron will be traveling quite a bit to various conferences as well as visiting family, the Andersons will be staying in the Terre Hill PA area for the last two weeks of June.
- **Jim & Janet Stahl** report that they are pretty well settled in their home in Bethlehem, even planting a garden. ☺ They will be traveling to at least two countries in Asia over the summer to lead Bible story training sessions, so keep them in prayer for safety and good health during their travels and teaching times.
- **Joe Toy** has asked for prayer as he and his team will be ministering at the Major League Baseball All Star Game in Washington DC from July 7-10. Pray for safe travels and open hearts to hear God's Word.
- **David Hershey** doesn't get the summer off just because there are a limited number of courses at Penn State-Berks campus where he ministers. He is busy with a staff training session and staff retreat which will happen this month. He is also responsible for coordinating the workshops for the National Student Conference in Johnson City, TN late this month. He and all of his family will be going, so keep them in prayer for safe travels, and a good conference.
- **REMINDER: Our VBS Project** this year is to collect monies for Evangelical College of Theology in India, so they can buy the books they need for their new Masters program in Missiology. Our goal is \$10,000. 5-Minute lessons are on our website, [www.eccenter.com](http://www.eccenter.com).

## EC GLOBAL PRAYER GUIDE

JULY 2018

# INDIA

**N**ortheast India is home to the largest number of EC'ers on the planet, with approximately 60,000 members and over 400 churches. The EC connection to the work in Manipur state began with Paul and Ella Rostad who went as missionaries to the head hunting tribes in that area before WW II. They had to evacuate during the war, but returned afterwards to continue their ministry.

From seeds planted by Watkin Roberts in the early 20th century and watered by Northeast India General Mission and the Rostads, God grew a bountiful harvest. Manipur state is considered to have a high percentage of Christians. The EC work is concentrated among six presbyteries (each of which represents a tribal group) which have their own languages. This region is among the poorest in India.

Currently Rev. Dr. Kaitinkap Vaiphei is the General Director of our EC Church of India. Kap, as he is affectionately known by his friends, is familiar to many in the USA from his time of studying at our Evangelical Seminary in Myerstown. He is emphasizing unity among the presbyteries and training of the pastors during his leadership.

Part of that training comes from the Evangelical College of Theology, also located in Churachandpur, Manipur state. Rev. Dr. Lalrosiem Songate did much of his advanced studies in the USA and is familiar to many here from his tenure as the General Director of ECCI. ECT trains students in English, and has both men and women training as pastors and missionaries. They plan to begin a new program in Missiology this summer, but need to increase the number of volumes in their library. You can help by contributing – our goal is to raise \$10,000 to assist them with this project. If your church isn't participating in our VBS project this year, you can send in a donation and mark it for "ECT library project."

We are excited by the zeal we see and read about among our EC brothers and sisters in Northeast India. They truly have a heart to see their people hear the Good News about Jesus. Please continue to pray for them as they sacrifice much to take God's Word to neighboring states and countries.
