## Fifteenth Conference to meet

The Fifteenth Annual Session of the National Conference will meet Wednesday through Friday, May 24 to 26 at Messiah College, Grantham, PA. "Press On", based on Philippians 3:13-14, has been selected as the theme.

According to Bishop Bruce Hill, National Conference is making a transition from "less business to more fellowship, worship, celebration, and resourcing."

The Conference will be preceded by the Wednesday morning 5K Rev Run, Walk, Ride, which benefits Kingdom Extension (church planting). ## *The Church Has Left the Building*

On Sunday, October 9, four Schuylkill County, PA churches left their buildings to do service projects in the southern parts of their county. Participating congregations were Ashland Bethany and Cressona Bethany Christian Fellowship, pastured by Dennis Snyder; Schuylkill Haven Grace, pastured by Ted Rathman; and Reedsville Bethesda, pastured by Jeff Byerly and Mark Brooks.

Additional churches were consulted to help locate areas of need. A display at a food bank brought in around 25 additional sites to be checked out. Areas of need were divided into east, west, north, and central. The pastors visited the sites, evaluating need and taking pictures. Along with Schuylkill District Field Director, Jim Price, they determined what could actually be done.

Next step was to select appropriately-skilled project leaders, who visited and evaluated work sites, introducing themselves to residents. Volunteers were recruited, with over 250 responding. These were placed on multi-church teams, according to their skills.

The churches united to contribute around \$2,500 to the overall project. A grant from Lowe's allowed for materials to be purchased at cost. Local supply stores, caterers, and others also sold their products at cost.

Some of the churches' seniors gave time to visit half a dozen nursing homes, and other volunteers provided prayer support. Over 30 worksites benefitted, and fall clean-up was done at a Boy Scout Reserve.

Pastor Byerly reports, "We tackled some really big projects like replacing soffits on two-story buildings, doors, stairways, and floors; coating and painting porches and decks; and repairing sidewalks. It really is a phenomenal undertaking!"

The day concluded with a celebration at the Scout Reserve. Still more volunteers prepared an evening meal, with home residents invited. Praise and testimonies completed the event.

Jeff adds, "We literally transformed homes and properties. The people are grateful and now look

for us each year. Increasingly, we are seeing and hearing about relationships that are kindled. There are prolonged conversations between workers and residents at grocery stores. We are invited to make return visits to help the elderly and simply check in with them."

Jeff describes the impact on participating churches as "knowing better the needs around us, more willingness to reach out to a neighbor, and a strong trust relationship among the congregations, with outreach groups meeting quarterly."

Some recipients of help are visiting the churches. "Some do come," says Jeff, "but not with their hands out. Nor do we see them as a solution to our financial woes. They are people God is inviting into His family."
